## Guest Speaker

### Dr. Meghan Connolly

Dr. Meghan Connolly is an American College of Veterinary Behavior (ACVB) resident. After graduating from University College Dublin Veterinary School, Dr. Connolly completed a comparative medicine residency at Yale University and holds a Graduate Certificate in Applied Animal Behavior from the University of Washington. With over 13 years experience of providing veterinary care including overseeing the behavior and welfare of animals in biomedical research, Dr. Connolly also aids families with pets through her practice Atlantic Veterinary Behavior, in Gaithersburg, Maryland. Dr. Connolly enjoys working with species of all kinds. In her spare time she can be found on the dock with her dogs, or on the trails with her horses.
